

## THE CBDCHAT

*Official E-Memo of Chief Black Dog District*

# Saturday, October 3, 2015 Cub Leader Training/Den Chief Training Model Rocket Flight Day & Cub Activities

*October 3 is a busy day for Scouting!  
Check out the reminders below!*

### **Cub Leader Basic Training**

Cub Scout Leader Basic Training will be offered on Saturday, October 3 at Shepherd of the Valley Lutheran Church in Apple Valley. This is a perfect opportunity for your new leaders to be trained and for current leaders to be trained in their new positions as necessary. Training is available for Den Leader Position Specific (Lion, Tiger, Wolf, Bear, or Webelos), Pack Committee, Cubmaster, and Youth Protection. See the [Cub Leader Training](#) flyer for a schedule of times and registration details.

### **Den Chief Training**

Den Chief training will be held in conjunction with the Cub Scout Leader training day on October 3. Den Chief Training will be held on October 3, 2015 at SOTV from 9:00 am to 4:00 pm with lunch provided for registered Den Chiefs. Den Chiefs need to bring a pen/pencil, notebook, the current Den Chief handbook (please note a new handbook was released due to the updating of the Cub Scout program), and a water bottle.

Den Chiefs will need to RSVP their attendance to [Anna-Marie](#) so that enough pizza can be ordered for lunch.

## Fall Model Rocketry Launch and Cub Activities Day

All systems are green and the conditions are “go” for the 2nd annual Fall Model Rocketry Launch Day this Saturday, October 3 at Falcon Ridge Middle School. Weather conditions look favorable (cool and dry). Check in will begin about 8 am with the first launches about 9 am. Additional Cub Scout Activities will be offered before, during and after launches for those waiting to launch. This is a perfect opportunity for those new Cub Scouts to launch their new rockets. Other Cub Scouts, Boy Scouts and Venture Scouts can bring rockets to launch as well. Remember, you will need to bring engines, igniters, and wadding, we will provide a launch system. Do you have friends who aren't in scouts? Invite them to come and find out more about Scouts or help you launch your rocket. Details and the flyer can be found on the district web site. Go to [model rocket launch](#). Even if your unit has had their own rocket launch event or you have attended one of the council events, you welcome to attend this launch event as well. This is a free event with the donation of a food shelf item.

We are looking for a little help with the Cub Activities which include a Rain Gutter Regatta, Tennis Ball Catapult Golf, and Stump Tug-O-War. Everything will be provided. We just need a little help running the events. If you are interested in helping please let me know, [Steve Engel](#).
