Cub Scouts

The February theme is "Construction". The leader activity will be making something with a "Genius Kit". The "Genius Kit" will be an assortment of various items from which you will use your imagination to create something!

Paul Ramsour from Elpis Enterprises will be the guest speaker. Elpis Enterprises is a non-profit organization that works with homeless (or precariously-housed) young people, providing job training, work experience, and job placement. Paul is the Executive Director. If you are attending one of the other Roundtable breakouts, there will be extra handouts and information available.

A nail driving competition will be another highlight of this month's roundtable.

The theme for the March Roundtable will be "Strike up the Band".

Boy Scouts

The Boy Scout may focus on youth "High Adventure" opportunities. We are always looking for youth leaders to discuss their adventures. Tell us where you went, why you went, how you prepared, what you know now that you wished you knew before hand and why everyone should want to go there. High adventure can be Jamborees, High Adventure bases, NOAC, national park tours, backpacking trips, canoe trips, sailing, kayaking, the sky is the limit! You tell us!

Technology in Scouting. When and where our personal devices should and should not be used or available. When is it appropriate in Scouting's Outdoor Program!

Also at Roundtable this Month

The Order of the Arrow chapter meeting is held each month at Roundtable. The OA Representative from each Troop should be attending. This is their opportunity to have input and help shape future Chapter and Lodge activities.

Order of the Arrow election training will be held at 6:15 pm (prior to Roundtable). Each troop will be run the election for another troop to select youth members eligible for Ordeal Membership in the Order of the Arrow. At least one adult and one youth (two adult and two youth is preferred and recommended) member should attend this training so you know how to run this election.
