Official E-Memo of Chief Black Dog District

Scouting for Food Saturday, April 16, 2011

This is it, Scouting for Food 2011, Saturday, April 16. By now all should know this is an earlier date than prior years (rescheduled due to the occurrence of Easter this year and Webelos Woods at month's end) All units should have their areas, know their location for food drop off, and have door hangers as needed. Remember best results are achieved by knocking on doors and requesting a donation.

Any last minute questions can be directed to [Bob Elliott](#) by e-mail or see Bob at the April Roundtable.

If your unit is unable to participate on April 16 (schedule conflict due to the earlier date), you should be aware of the scheduled back date on April 30. Another district is holding their food drive that weekend (drop off location is Prince of Peace in Burnsville). Again, see [Bob Elliott](#) for details, questions.
