Official E-Memo of Chief Black Dog District

School Night for Scouting Training Sessions

For those leaders that attended the School Night training at the University of Scouting last Saturday, we thank you. If you were unable to attend, there is another training that Northern Star Council will be holding.

**Thursday April 24, 7:00 pm
Presbyterian Church of the Way
3382 Lexington Avenue
Shoreview, MN 55126**

Chief Black Dog District will also have a School Night for Scouting training at the May Roundtable for the leaders not yet trained.

**Thursday May 8, 6:00 pm
LDS Church
651 East Southcross Dr.
Burnsville, MN 55337**

We're asking ALL pack leaders to attend the 1 hour training to get all the information on the state-wide September 18, 2014 recruitment effort. (With FREE Rockets for the new youth!). There's a lot to cover and get everyone up to speed, so we are asking All packs to have as many leaders attend as possible, but at least have one representative at one of these trainings. There are many changes this year and it is important that as many leaders as possible attend a training session.

Please RSVP me, [Kirk Heimstead](#), by April 22nd, for either of these two trainings, so we have enough materials ready.

Thank you for all you do,
Kirk
